Subject: Eight-Year Review of Monroe County Agricultural District No. 5 and District No. 6 and Consolidation of Monroe County District No. 6 into District No. 5, Forming Monroe County Agricultural District No. 5.

Honorable Legislators:

I recommend that Your Honorable Body approve the modification of Monroe County Agricultural Districts No. 5 and No. 6 and consolidate District No. 6 into District No. 5, forming Monroe County Agricultural District No. 5. Pursuant to Article 25AA of the NYS Agriculture and Markets Law, a report has been prepared by the Monroe County Agricultural and Farmland Protection Board on the eight-year review of both districts and recommends consolidation of Districts No. 5 and No. 6 into one county-wide district.

Based on the findings from the annual addition and district review process, the report recommends the modification of District No. 5 by adding approximately 537 acres and removing zero acres - the modification results in a gain of 537 acres to District No. 5 and the modification of District No. 6 by adding approximately 288 acres and removing approximately 135 acres - the modification results in a gain of 153 acres to District No. 6. The report also recommends the consolidation of the Eastern District No. 6 into the Western District No. 5, to be known as Monroe County Agricultural District No. 5. Doing so will increase the efficiency of the 8-year review process for County Staff, Land Owners, and the Towns and Villages of Monroe County while also reducing the confusion that occurs from multiple district reviews within Monroe County.

In accordance with Article 25AA, the Agricultural and Farmland Protection Board report and recommendation should be the subject of a public hearing held by the Legislature's Planning & Economic Development Committee at a place within the District, in its present form, or otherwise readily accessible to it. The Legislature has the option to continue the District in its present form; continue and modify the District; or terminate the District. I recommend adding and removing the parcels listed above to the Monroe County Agricultural Districts and the consolidation of the Eastern Agricultural District No. 6 into the Western Agricultural District No. 5, to be known as Monroe County Agricultural District No. 5.

The specific legislative actions required are:

1. Hold a public hearing on the modification and consolidation of Monroe County District No. 5 and No. 6 as set forth in the report prepared by the Monroe County Agricultural and Farmland Protection Board within the District, in its present form, or a place readily accessible to the District.
2. Consider the recommendations and facts presented at the hearing relative to the modifications and consolidation to the Monroe County Agricultural Western District No. 5 and Eastern District No. 6.
3. Authorize the addition of the above named twenty-five (25) parcels and the removal of the above named three (3) parcels from, the Monroe County Agricultural Districts No. 5 and No. 6.
4. Authorize the Consolidation of the Monroe County Western Agricultural District No. 5 and Eastern Agricultural District No. 6. to form the Monroe County Agricultural District No. 5.

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

This consolidation and Agriculture District modification will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Authorize a Contract with and Accept a Donation of Services from the Genesee Transportation Council for the Genesee Valley Park Olmsted Arched Bridges Restoration Plan

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with and accept a donation of services from and through Genesee Transportation Council ("GTC") to undertake the creation of a Genesee Valley Park Olmsted Arched Bridges Restoration Plan ("the Plan") at an approximate value of \$125,000, with a \$10,000 match from the Monroe County Department of Planning and Development in monetary and in-kind services.

Through this acceptance of service, GTC will procure and contract with a qualified consultant to prepare a Restoration Plan for the three (3) Olmsted arched bridges in Genesee Valley Park. Goals of this project include identifying appropriate restoration interventions that respect the age and historic significance of the structures; a schedule for ongoing maintenance and repairs; and clarify jurisdictional responsibilities for both the restoration process, ongoing maintenance, and ownership.

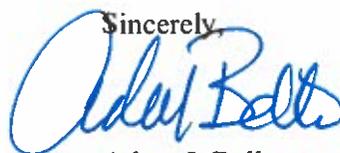

The Plan will be 90% funded by the Genesee Transportation Council through the Unified Planning Work Program ("UPWP"), a federally-funded transportation planning program undertaken each year by GTC, its member agencies, and other jurisdictions in the Genesee-Finger Lakes Region. GTC, through UPWP, will fund and administer the Plan at an approximate value of \$125,000. The Department of Planning and Development will provide an in-kind match of \$5,000 from staff support and a monetary match of \$5,000 from the 2025 operating budget of the Department of Planning and Development.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Genesee Transportation Council ("GTC"), 1 South Washington St, Suite 520, Rochester, New York 14614, to accept a donation of services from and through GTC to undertake the creation of a Genesee Valley Park Olmsted Arched Bridges Restoration Plan at an approximate value of \$125,000, with a \$10,000 match from Monroe County in monetary and in-kind services.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(24) (“information collection including basic data collection and research, water quality and pollution studies, traffic counts, engineering studies, surveys, subsurface investigations and soils studies that do not commit the agency to undertake, fund or approve any Type I or Unlisted action”) and (27) (“conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action”) and is not subject to further review under the State Environmental Quality Review Act.

The \$5,000 monetary match for the Plan, along with \$5,000 in-kind services match, is included in the 2025 operating budget of the Department of Planning and Development, general fund 9001, funds center 1401010000, Planning Services. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
