Subject: Acceptance of a Grant from the New York State Division of Criminal Justice Services for the Crimes Against Revenue Program

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of District Attorney Sandra Doorley.

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services in the amount of \$208,000 to continue the Crimes Against Revenue Prosecution Program in the District Attorney's Office for the period of January 1, 2025 through December 31, 2025.

This grant will provide funding to support a portion of the cost of three (3) full-time Assistant District Attorneys. It also provides funding for contracting with a tax auditor, should one be needed during the contract period. The Assistant District Attorneys will investigate and prosecute individuals and businesses operating in Monroe County that violate tax laws, recoup revenue lost due to non-compliance, and increase voluntary compliance with applicable tax laws. In addition, crimes involving failure to collect, report, and pay New York State taxes involving welfare benefits, unemployment insurance benefits and workers' compensation payments will also be investigated and prosecuted by program staff. This will be the twentieth year the County has received this grant. This year's funding is the same amount received in last year's award.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to accept a \$208,000 grant from, and to execute a contract and any amendments thereto, with the New York State Division of Criminal Justice Services for the Crimes Against Revenue Program in the District Attorney's Office for the period of January 1, 2025 through December 31, 2025.

2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any encumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
3. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This is a Type II Action pursuant to 6 NYCRR 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this grant is included in the 2025 operating budget of the District Attorney's Office, general fund 9300, funds center 2510010000, Public Corruption/Economic Crime Bureau.

This grant is 100% funded by the New York State Division of Criminal Justice Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

**Subject:** Acceptance of a Grant from the New York State Canal Corporation for the New York State Canal Corporation Marine Patrol Matching Grant Program

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Canal Corporation in the amount of \$40,000 for the New York State Canal Corporation ("NYSCC") Marine Patrol Matching Grant Program for the period of April 1, 2025 through March 31, 2026.

This grant will provide funds for the dedication of extra law enforcement patrols along the Erie Canal and Canal Way Trail in Monroe County. In the past, NYSCC funded New York State Police patrols in that area; however, the New York State Police suspended all dedicated marine patrols in the state. Therefore, NYSCC made the funds available to locally-administered police agencies. This money will be used to fund overtime reimbursement for those deputies assigned to patrol the Erie Canal and Canal Way Trail as well as the gas for the patrol vehicles. This will be the fourteenth year the County has received this grant. This year's funding is the same as last year.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to accept a \$40,000 grant from, and to execute a contract and any amendments thereto with, the New York State Canal Corporation for the New York State Canal Corporation Marine Patrol Matching Grant Program, for the period of April 1, 2025 through March 31, 2026.

2. Amend the 2025 operating budget of the Office of the Sheriff by appropriating the sum of \$40,000 into general fund 9300, funds center 3803010000, Police Bureau Administration
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant requires a 25% local match. This match funding is included in the 2025 operating budget of the Sheriff's Office, general fund 9001, funds center 3803010000, Police Bureau Administration.

This grant is funded by the New York State Canal Corporation. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam Bello  
Monroe County Executive

Subject: Authorize the Creation of a Probation Supervisor and a Senior Probation Officer in the Department of Public Safety, Office of Probation – Community Corrections

Honorable Legislators:

I recommend that Your Honorable Body authorize the creation of one (1) Probation Supervisor, Group 34, and one (1) Senior Probation Officer, Group 37, in the Monroe County Department of Public Safety, Office of Probation – Community Corrections ("Probation").

These positions are necessary as a result of the County's assumption of direct delivery of pre-trial services. The County has a statutory requirement to provide such pre-trial services to the court system. Probation is assuming the responsibility for delivery of pre-trial services directly, instead of providing those services through a contractor. This effort will result in efficiencies through the reduction of administrative overhead. Additionally, it is expected that the alignment of services and programs from initial appearance through probation will better serve justice-involved individuals.

The assumption of direct delivery of these services will require appropriate supervision of pre-trial services personnel and activities, and the positions requested here are necessary to provide that supervision.

**The specific legislative action required** is to authorize the creation of one (1) Probation Supervisor, Group 34, and one (1) Senior Probation Officer, Group 37, in the Monroe County Department of Public Safety, Office of Probation – Community Corrections.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this position is included in the 2025 operating budget of the Department of Public Safety, general fund 9001, funds center 2403060000, Alternatives to Jail. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive
