Subject: Authorize Intermunicipal Agreements with Monroe County Public School Districts and Board of Cooperative Education Services for a Food Waste Diversion Grant Pilot Program

Honorable Legislators:

I recommend that Your Honorable Body authorize intermunicipal agreements with Monroe County public school districts and the Board of Cooperative Education Services ("BOCES 1 & 2") for the purpose of issuing matching grants for a Food Waste Diversion Grant Pilot Program ("Pilot Program") in a maximum aggregate value of \$50,000.

Diverting organic waste away from landfills and out of sewers is an important climate action to reduce methane, a potent greenhouse gas. The 18 public school districts and BOCES 1 & 2 within Monroe County can have a role in food waste diversion by:

- Reducing, recovering, and recycling food waste.
Educating the next generation on environmental stewardship.
Expanding the circular economy by supporting local composting and food waste diversion businesses.
Donating excess food to those in need.
Engaging faculty, staff, and administrations in environmental program implementation.

The Pilot Program will provide the 18 public school districts and BOCES 1 & 2 the opportunity to receive matching funds of up to \$5,000 to implement new initiatives to divert food waste as well as support or expand existing food waste diversion programs. The maximum aggregate value of the funding program is \$50,000. Applicants will be required to submit a proposed food waste diversion plan. Every funding recipient will be solely responsible for the means and methods to implement its approved food waste diversion plan and submit semiannual reports over the duration of funding. Funding will be available to support food waste diversion programs through the 2025-2026 academic year.

The specific legislative action required is to authorize the County Executive, or his designee, to execute intermunicipal agreements, and any amendments thereto, with Monroe County public school districts and the Board of Cooperative Education Services (BOCES 1 & 2) for the purpose of issuing matching grants for a Food Waste Diversion Grant Pilot Program ("Pilot Program") in a maximum aggregate value of \$50,000.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(10) (“routine activities of educational institutions, including expansion of existing facilities by less than 10,000 square feet of gross floor area and school closings, but not changes in use related to such closings”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for these agreements is included in the 2025 operating budget of the Department of Environmental Services, general fund 9001, funds center 8301020000 Climate Initiatives. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for the favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Authorize an Intermunicipal Agreement with the Town of Clarkson for the East Avenue Sidewalk Extension Project Partially Funded through Monroe County; Appropriate Committed Fund Balance; and Authorize an Interfund Transfer

Honorable Legislators:

We recommend that Your Honorable Body authorize an intermunicipal agreement with the Town of Clarkson (the "Town") for the East Avenue Sidewalk Extension Project, partially funded through Monroe County in an amount not to exceed \$223,000; appropriate committed fund balance; and authorize an interfund transfer.

The Town has submitted a Monroe County Municipal Sidewalk Funding Application to install approximately 2100 linear feet of sidewalk along East Avenue between Mission Hill Drive/Havenwood Drive and Wedgewood Court/Anita's Lane (the "Project"). The total construction costs are anticipated to be approximately \$446,000. Through the intermunicipal agreement, the County will reimburse the Town in an amount not to exceed \$223,000 for construction expenses. The \$223,000 of the County's share will be paid for by the appropriation and transfer of committed fund balance pursuant to Resolution 197 of 2023.

The Project will connect existing sidewalk networks serving this area and provide a continuous path between residential neighborhoods and various destinations within the Clarkson community. Such connections would further the goals of the Town of Clarkson 2022 Comprehensive Plan as well as the County's Countywide Active Transportation Plan to fill gaps within the existing sidewalk network.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Clarkson in an amount not to exceed \$223,000 for the East Avenue Sidewalk Extension Project.
2. Amend the 2025 operating budget of the Department of Finance-Unallocated by appropriating committed fund balance in the amount of \$223,000 into general fund 9001, funds center 1209030000, Transfer to Other Funds.
3. Authorize an interfund transfer in the amount of \$223,000 from the Department of Finance-Unallocated, general fund 9001, funds center 1209030000, Transfer to Other Funds, to the Department of Transportation, road fund 9002, funds center 8002060000, Sidewalk Projects.

This action is an Unlisted Action under the New York State Environmental Quality Review Act (“SEQRA”). The Town of Clarkson will conduct a coordinated review and the provisions of SEQRA shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

Funding for this intermunicipal agreement will be available in the Department of Transportation, road fund 9002, funds center 8002060000, Sidewalk Projects once the interfund transfer has been authorized. This interfund transfer requires \$223,000 of additional net County support for which the appropriation of committed fund balance is requested.

We recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Honorable Legislators:

Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Webster for the reimbursement of overtime, fringe benefits, equipment, and mileage for the Operation Stonegarden Program in an amount not to exceed \$9,099 for the period of September 1, 2024 through August 31, 2027.
6. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
7. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This is a Type II Action pursuant to 6 NYCRR 617.5(c) (26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the Federal Department of Homeland Security Federal Emergency Management Agency (administered by the New York State Division of Homeland Security and Emergency Services). No net County support is required in the current Monroe County budget.
